THE HISTORY OF THE UNITED STATES

CHAPTER I  
THE EARLY YEARS  
The first settlers of the United States were the Pilgrims who came to the New World in 1620. They were followed by other groups of immigrants from Europe, including the Dutch, French, and Spanish. The United States was declared independent from Great Britain in 1776. The American Revolution was fought from 1775 to 1783. The Constitution was written in 1787. The United States has since become a major world power.
