Mr. J. H. ...

SUPPLEMENT TO THE OIL PRODUCTION SCHEDULE

The following schedule is submitted for the year 1940, based on the best available information at this time. It is subject to change as more definite information becomes available. The schedule is based on the assumption that the oil production will be approximately 1,000,000 barrels per month, and that the total production for the year will be 12,000,000 barrels. The schedule is based on the assumption that the oil production will be approximately 1,000,000 barrels per month, and that the total production for the year will be 12,000,000 barrels.
