APPROVED: [Signature] BY: Mike Williams
TITLE: OIL AND GAS INSPECTOR
This form is to be filed in compliance with RULE 1124.
It is to be kept for allowable for a newly drilled or deepened well, until the well is completed with casing and cemented to the surface, and the well is plugged with cement.
This form must be filled out completely and allowed to remain in the file of the well.
If the well is plugged with cement, the well is to be plugged with cement and the well is to be plugged with cement.
