Re: Communitization Agreement
USA No. Com. Agr. - SW - 643
Eddy County, New Mexico

Gentlemen:

Please take notice that the above-mentioned communitization agreement was approved effective May 10, 1972, covering the acreage depicted on the attached copy of Form C-102. You have probably received other copies of Form C-102 along with a notice of intent to drill in a routine manner; however, we desire to make special reference to the communitization agreement by this letter, at this time.

We are of the opinion that voluntary pooling of the subject acreage as contemplated by the New Mexico Statutes has been effectively accomplished. We ask that you retain this letter in your file and if you should not receive an approved copy of the captioned agreement from the United States Geological Survey in due course, we have extra copies available for your use.

Very truly yours,

PUBCO PETROLEUM CORPORATION
