Re: Shut in wells ;

Dear Brian;

Over the last year or two, the NMOCD has been sending out letters to operators in regard to their shut in wells. Although most operators have received notice we still find wells that are not included in the previous mailings. I am forwarding these additional wells as we locate them.

Yours truly,

Tim Gum

Nickson BM	# 1	30-18-26	Ut. M
Nickson BM	# 2	30-18-26	Ut. A

The two Nickson wells are both reported on your C-115 as producinbg but one has no motor and the other has no pump jack.
