Re: Pennzoil's Vandiver #2  
Atoka West Morrow Pool  
Eddy County, New Mexico

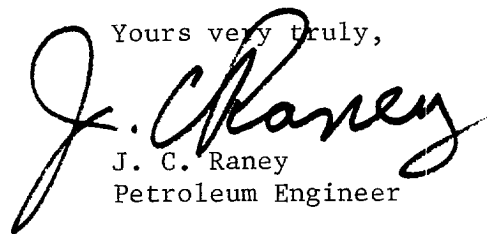

Dear Bill:

Attached for your information are the two Form C-103's, the inclination survey, DST and a copy of the acoustic log on the subject well.

As discussed with you on Tuesday, June 26, 1973, Pennzoil proceeded to set the cement plugs as outlined on each of the attached C-103's, and then turned over operations of the well to Brunson and McKnight, Inc. on June 28, 1973.

I trust this data will fulfill all the requirements of Pennzoil Company to the New Mexico Oil Conservation Commission in regard to this particular well.

Yours very truly,

  
J. C. Raney  
Petroleum Engineer
