Gentlemen:

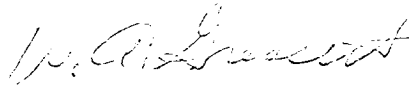

The last report received in this office on the subject well was Form C-103 reporting setting and cementing casing. To bring our records up to date, please file the following:

1. Form C-103 reporting Perfs and treatment.
2. Form C-105 Well Completion Report and Log, accompanied by one copy of each log run on the well and a summary of all special tests conducted including drill stem tests.
3. Form C-122 Multi Point Back Pressure test.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

OIL CONSERVATION COMMISSION
