County, New Mexico

Gentlemen:

We are returning the enclosed Forms C-101 & C-102 on the subject well for corrections.

Said well is located within one mile of the Atoka Penn Pool, therefore, it will be undesignated Atoka Penn.

Further, on Form C-102, the operator name, pool name, dedicated acreage must be changed and outline the 320 acres dedicated to the well.

If you have any questions concerning this matter please feel free to call upon me.

Sincerely yours,

OIL CONSERVATION COMMISSION
