Re: Turkey State #1
330' FNL & 990' FEL
Unit A-Section 32-18S-29E
Eddy County, NM

Gentlemen:

We have plugged and abandoned the captioned well. A utility pole is located on the location and needs to be removed.

At your convenience please remove the pole. Please notify me when that has occurred so I can notify the New Mexico Oil Conservation Division.

Thank you.

Sincerely,

YATES DRILLING COMPANY

Karen J. Leishman
Engineering Technician
