Bradshaw Lease
N/2 Sec. 2, T-18-S, R-26-E
Eddy County, New Mexico

Gentlemen:

Enclosed please find the following:

1. Form C-103, Notice of Intention to P. & A. Bradshaw No. 1, 1650' FEL and 1980' FNL, Sec. 2, T-18-S, R-26-E.
2. Form C-101 and C-102, Application to drill Bradshaw No. 2, 1800' FNL and 990' FWL, Sec. 2, T-18-S, R-26-E.

The north half of Sec. 2 is dedicated to Transwestern Pipeline Company, and for allowable purposes this acreage is assigned to David Fasken No. 1 Bradshaw.

On behalf of our client, David Fasken, we are proposing to plug and abandon the No. 1 Bradshaw due to a casing leak. By Form C-101, enclosed, we are ready to immediately drill the Bradshaw No. 2 as a replacement well.

If you should have any questions, please telephone James B. Henry or Robert H. Angevine at 915-683-1893. Your expediting the drilling application will be appreciated as we would like to make location no later than November 8, 1983.

Yours truly,

HENRY ENGINEERING
