Eddy County, N. M.

Gentlemen:

We are returning the enclosed Form C-103 on the subject well for additional information.

Please show the WOC time and the test results as required under Rule 107 (c) (1) or (2).

Further, this forms shows circulated with 50 sacks cement and according to my book, with 8-5/8" casing in a 10" hole 50 sacks will not circulate.

Contact this office as to your plans to finish cementing this string to the surface.

Sincerely yours,

OIL CONSERVATION COMMISSION

The 50 sacks on attached form was a typographical error  
it should have been 150 as per copy of drilling log attached.
