RE: Maralo State Com (1-707) No. 1
Und, N Antelope Sink Morrow Field
Eddy County, New Mexico

Dear Sirs:

Please be advised concerning the above referenced well, that the well is presently undergoing a three point test prior to producing, after such time as a pipeline connection necessitates.

Upon completion of tests, form C-104 and C-105 will be filed with the Oil Conservation Commission.

If further information is required, please advise.

Very truly yours,

Donna Spain
Production Secretary
