Dear Mrs. Tatem,

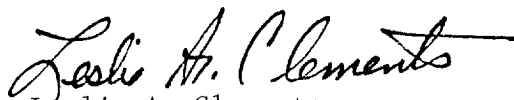

This office has received your letters, and your Form C-115, Operator's Monthly Report, for January 1984, thru April 1984, for Dean E. Wolf, on the above captioned well.

You are already aware that your bond must read the same as the operator, and as soon as we receive approval from Santa Fe on your bond, and you have filed a Form C-104 showing change of operator, we will correct our files to show T & W Company as the operator.

Enclosed is a Form C-104, marked, showing the parts that need to be filled in. We will need the original and 4 copies.

If we may be of further assistance, please feel free to call or write us.

Very truly yours,

  
Leslie A. Clements  
Supervisor, District II
