Gentlemen:

This is to advise that on April 21, 1986 the Hondo Drilling Company Alscott #1 gas well located in Unit G of Section 31, Township 18, Range 29, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative until permanent status of the measuring arrangement is determined. The disconnection was due to gas being sold to Llano, Inc.

Yours truly,

Robert Patterson  
Production Coordinator
