Re: Bradshaw ✓
#1-G-2-18-26
Eddy County, NM

Gentlemen:

You approved our application to drill the referenced well on November 2, 1976, with an expiration date of this approval of February 16, 1977.

We have been unable to obtain a drilling rig for this well inasmuch as all rigs for this depth well are tied up at this time.

We respectfully request an extension to this Permit to Drill.

Very truly yours,

MARK PRODUCTION COMPANY

Marjorie Lotz
