Re: Withdrawal of Section 103
NGPA Pricing Application
Yates Petroleum Corporation's
Pipkin "HE" No. 1
S/2 Sec. 4-18S-R25E
Eddy County, New Mexico

Ladies and Gentlemen:

Upon review of our applications for NGPA pricing, we have discovered an erroneous spud date listing for the referenced well. Although the correct spud date is indicated on the NMOCD Form C-105 as 2-17-77, we had it listed erroneously on an in-house master list as 7-17-77. In the rush to make several well applications in as short a time as possible, we failed to notice the discrepancy.

We apologize for the inconvenience this may cause you. We respectfully withdraw our application for Section 103 Pricing for the Pipkin "HE" No. 1. The well is not eligible for 103 pricing because it fails to meet the 2-19-77 spud date criteria.

Yours truly,

B. W. Harper
Secretary-Treasurer
