RE: Meter #61-829-01  
Site #24121-01

Gentlemen:

This is to advise that on April 26, 1983 the Amoco Production Co.'s ✓  
Empire South Deep Unit #14- Morrow gas well located in Unit G of  
Section 5, Township 18S, Range 29E, Eddy County, New Mexico was disconnected  
from El Paso's gathering system. This meter is blind plated and will remain  
on location temporarily, but inoperative, until permanent status of the  
measuring arrangement is determined.

This disconnection was due to advise from the operator that Morrow formation  
was plugged.

Yours truly,

PERMIAN DIVISION DISPATCHING DEPARTMENT
