

Table form to be filled out with the appropriate information for each well. It shall be accompanied by one copy of all electrical and radioactivity logs run on the well and a summary of all special tests conducted, including drill stem tests. All data reported shall be measured by the well owner. In the case of directionally drilled wells, true vertical depth shall also be reported. For multiple completions, Items 30 through 34 shall be reported for each completion. The form is to be filled in quadruplicate except on state land, where any copies are required. See Rule 1105.
