Gentlemen:

We are requesting permission to flare gas from the following wells for four hours in order to run accurate four point tests on them:

Empire South Deep Unit #16  
Sec. 7, T-18-S, R-29-E  
Eddy County, NM

Federal AA #1  
Sec. 17, T-22-S, R-26-E  
Eddy County, NM

Nellis Federal "C" Gas Com. #1

Lea County, NM

Federal AG Com. #1  
Sec. 14, T-20-S, R-35-E

We need to run these tests to evaluate the feasibility of installing compressors at these wells.
