1. Outline in pencil the acreage dedicated to the subject well, and record pertinent boundary marks on the plot below.

2. If the acreage is leased or dedicated to the well, outline each and identify the ownership interest of each, as to working interest, etc.

3. If acreage of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, force-pooling, etc?

Yes No If answer is "yes," type of consolidation

If answer is "no," list the owners and tract descriptions which have actually been consolidated, (the reverse side of this form if necessary).

No allocation will be assigned to the well until all interests have been consolidated (by communitization, unitization, force-pooling, or otherwise) or until a non-standard unit, eliminating such interests, has been approved by the Commission.
