L. & S.

Figure 1 is a line graph showing the percentage of respondents who believe that the use of force is justified in various circumstances. The x-axis represents the percentage of respondents who believe that the use of force is justified in the circumstances (0% to 100%). The y-axis represents the percentage of respondents who believe that the use of force is justified in the circumstances (0% to 100%). The graph shows that the majority of respondents believe that the use of force is justified in the circumstances, with the percentage of respondents who believe that the use of force is justified increasing as the percentage of respondents who believe that the use of force is justified increases.
