Re: Case No. 6181, Order No. R-5683

Rio Pecos GB No. 2 Com

Dear Mr. Mahfood:

Referring to your letter of June 20, 1978, it is my understanding that you wish to dedicate the W/2 of Section 20, Township 18 South, Range 27 East, Eddy County, New Mexico, to your Rio Pecos Well No. 2 to be drilled at a non-standard location 1980 feet from the North line and 1100 feet from the West line of said Section 20. It is further understood that this unorthodox location was approved by Division Order No. R-5683 with the S/2 of the Section to be dedicated to the well.

As this change in dedication results in the well being more nearly at a standard location and as the location is unorthodox only by virtue of its being located too close to an interior quarter-quarter section line, the dedication change proposed is hereby approved.

Very truly yours,

JOE D. RAMEY,
Director
