Re: Travis Deep Unit
#5-K, 13-18-28, Eddy
County, New Mexico

Gentlemen:

We are returning the enclosed Forms C-101 and C-102 on the subject well for corrections.

This office has no record of the Travis Deep Unit, therefore the lease name and well number must be changed and the pool name is Undesignated S. Empire Morrow.

Further, the intermediate casing needs to be set at around 3200' and I would recommend that cement be circulated to the surface.

If you have any questions concerning this matter please feel free to call upon me.

Sincerely yours,

W. A. Gressett
Supervisor, District II
