Re: Travis St. #1, 13-18-28
Travis 13 St. #1, 13-18-28
Travis Deep Ut. #2, 13-18-28
Travis Deep Ut. #3, 13-18-28
N.Travis 12 Deep #1, 12-18-28

According to the Nomenclature Committee's cross sections the perforated interval in said wells, falls within the Strawn. However; evidence submitted by your office shows the wells to be completed in the Canyon. If there is no opposition regarding our decision, this office will consider said wells to be perforated in the Strawn.

However; should any question arise, I would be happy to go over my correlations with you.

Sincerely yours,

Larry Brooks
Geologist
