Gentlemen:

This is to advise that on July 8, 1982 the Harvey E. Yates Co.'s Travis Penn Unit #5 well located in Unit K of Section 13, Township 18S, Range 28E, Eddy County, New Mexico was disconnected from El Paso's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to advise from the operator and inability of the well to produce into El Paso's South Carlsbad Gathering System. (Meter #68-112-01)

Yours truly,
