Re: Fourmile
#1-O-26-18-24
Eddy County NM

Gentlemen:

We hereby acknowledge receipt of the Completion Report on the subject well reporting a completion in the Wolfcamp-Bursum.

However, according to our Geologist the tops are as follows: Penn. 6322, Strawn 7640, Atoka 8143, Morrow LS 8396, Morrow Clastics 8475.

Therefore the well would be completed in the upper Penn. Further, since this is an oil well with 40 acres dedicated the lease name should be changed to Fourmile #1.

If you have any questions concerning this matter please feel free to call upon me.

Sincerely,

W.A. Gressett
Supervisor, District II
