6/26/80 On March 17, 1980, we mailed an application to drill on the referenced location. Approval by the O. C. D. is dated March 24, 1980. Our plans changed and we did not move on this site within the allotted time; consequently, the Application to Drill has expired.

Since we now plan to drill this well sooner than anticipated, we would like to re-instate this Application to Drill.
