RE: Non-Standard Gas Well Location
Sec. 14, T-18S, R-28E
Eddy County, New Mexico
State 14-1

Gentlemen:

Holly Energy Inc. respectfully requests that a hearing be called to consider Holly's application for a permit to drill State 14-1 at a non-standard location which will require an exception to Paragraph C-II of Rule 104, New Mexico Oil Conservation Commission Rules and Regulations.

The requested location is 660 feet FSL and 990 feet FEL of Section 14. T-18S, R-28E. Rule 104, Paragraph C-II requires that a well will be not closer than 1980 feet to the nearest end boundary.

The proposed well is projected to a depth of 11,200' feet to test the gas reservoirs to a depth sufficient to test the Morrow.

Yours truly,

Robert Loyd
Superintendent
