Re: State B 14 Com #1
Unit P 14-18-28

Gentlemen:

We do not have a bond carried as Belco Petroleum North America.

All wells must be carried under the exact name that appears on their bonds.

According to our bond files we have only one bond for Belco and that is carried as Belco Development Corp.

Before the operator name can be changed on the above captioned well, we will need a bond for Belco Petroleum North America or the operators name changed to match the present bond.

Sincerely,

Les A. Clements
Supervisor District II
