(NOTE: Report results of multiple completion on Well
Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

1. Request permission to build a 10' x 10' emergency pit on northwest corner of location pad. Pit will be fenced.
2. Frostman has installed a 2" SDR11 pipe line along existing southwest road in order to dispose of produced water in Kersey & Co. disposal system. Starting point of line is at Sivley Fed #1 - heater treater extending south 1300' and joining main salt water disposal line at that point. Line is installed above ground.
