Attn: Mr. John McMinn

Reference is made to your request of December 3, 1984 and our notice of gas well gas proration dated September 4, 1984.

In order to maintain your leasehold production status, this is to advise that Phillips will take a maximum of 50 Mcf/Day of produced gas from the Fulton-Collier No. 1 on December 16 & 17, 1984. It is understood that this production will be sufficient to hold your lease for the 60-day production periods ending December 16, 1984 and February 16, 1985.

It is requested that you contact Don Laird - Artesia Plant Superintendent (505) 677-3154 prior to the designated production dates in order to coordinate the flowing of the captioned well under these criteria.

Cordially yours,

  
J. W. Maharg
