Dear Mr. Gressett:

Please find enclosed five executed copies of Form C-101, Application to Drill, along with the necessary attachments for the above captioned location.

As per your telephone request of May 7, 1981, the location for our Dayton #1 prospect has been changed to comply with the special field rules in the Atoka-Penn Pool. We hope that this revised application to drill meets with your approval.

As I mentioned in my letter of May 6, your earliest attention to this request will be greatly appreciated being that time is of the essence.

Very truly yours,

HARVEY E. YATES COMPANY
