Gentlemen:

In updating our files we find that the last report received on the above captioned well was dated November 22, 1988. At that time you intended to re-complete, perforate the Grayburg and stimulate as necessary for production. As of this date we have not received any subsequent reports. Please submit all necessary reports so that we may update our files.

Thank you for your prompt attention to this matter.

Sincerely,

Mike Williams
Supervisor, District II
