

SIGNED Bob [Signature] TITLE Superintendent DATE 12-10-82

INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Commission not later than 30 days after the completion of drilling. It shall be accompanied by copies of all pertinent and pertinent information on the well and a summary of all data reported, including well logs, tests, etc. All water reported shall be measured as follows: In the case of unconfined wells, true water level shall be reported. For multiple formations, items 1 through 14 shall be reported for each zone. The form is to be filed in duplicate, where six copies are required. See Rule 1103.
