Gentlemen;

Before a plugging approval can be given on the above captioned well, you will need to file the C-105, Completion Report, a signed and notarized copy of the Deviation Survey and one copy of each log, if logs were run on the well.

The attached Affidavit of Responsibility Conversion to Water Well must be filled out, signed and returned to this office.

If we can help you in any way, please let us know.

Sincerely,

*Leslie A. Clements*
