- 2. If more than one leans is dedicated to the well, outline such and identify the ownership thereof (both as to working interest and revally).
- 3. If more than one lease of different ownership in dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, force-pooling. etc?

If answer is "yes;" type of consolidation \_ 1 Yee □ N•

If answer is "so;" list the owners and tract descriptions which have actually been consolidated. (Use reverse side of this form if accessary.]\_

No allowable will be assigned to the well until all interests have been consolidated (by communitization, unitization, forced-pooling, or otherwise) or until a non-standard unit, sliminating such interests, has been approved by the Division

990'	Sec. 36, T 17	5, R 31 E, N.M.P	м.	CERTIFICATION I bereby certify that the information con- taired barain is true and complete to the begind my browledge and belief.
