

1103.E. Report of Temporary Abandonment

A report of temporary abandonment of a well shall be filed by the operator of the well within thirty days following completion of the work. The report shall be filed in TRIPLICATE and shall present a detailed account of the work done on the well, including location and type of plugs used, if any, and status of surface and downhole equipment, and any other pertinent information relative to the overall status of the well. [1-1-65...2-1-96]

1103.F. Report on Plugging of Well

A report of plugging operations shall be filed by the operator of the well within 30 days following completion of plugging operations on any well. Said report shall be filed in TRIPLICATE on Form C-103 and shall include the date the plugging operations were begun and the date the work was completed, a detailed account of the manner in which the work was performed including the depths and lengths of the various plugs set, the nature and quantities of materials employed in the plugging operations including the weight of the mud used, the size and depth of all casing left in the hole, and any other pertinent information. (See Rules 201-204 regarding plugging operations.) [1-1-65...2-1-96]

No plugging report will be approved by the Division until the pits have been filled and the location levelled and cleared of junk. It shall be the responsibility of the operator to contact the appropriate district office of the Division when the location has been so restored in order to arrange for an inspection of the plugged well and the location by a Division representative. [1-1-65...2-1-96]

1103.G. Report of Remedial Work

A report of remedial work performed on a well shall be filed by the operator of the well within 30 days following completion of such work. Said report shall be filed in QUADRUPLICATE on Form C-103 and shall present a detailed account of the work done and the manner in which such work was performed; the daily production of oil, gas, and water both prior to and after the remedial operation; the size and depth of shots; the quantity of and, crude, chemical or other materials employed in the operation, and any other pertinent information. Among the remedial work to be reported on Form C-103 are the following:

- (a) Report on shooting, fluid fracturing or chemical treatment of a previously completed well
- (b) Report of squeeze job
- (c) Report on setting of liner or packer
- (d) Report of installation of pumping equipment or gas lift facilities
- (e) Report of any other remedial operations which are not specifically covered herein.

1103.H. Report on Deepening or Plugging Back Within the Same Pool

A report of deepening or plugging back shall be filed by the operator of the well within 30 days following completion of such operations on any well. Said report shall be filed in QUADRUPLICATE on Form C-103 and shall present a detailed account of work done and the manner in which such work was performed. If the well is recompleted in the same pool, it shall also report the daily production of oil, gas, and water both prior to and after recompletion. If the well is recompleted in another pool, Forms C-101, C-102, C-104 and C-105 must be filed in accordance with Rules 1101, 1102, 1104 and 1105. [1-1-65...2-1-96]

1103.I. Report of Change of Operator of a Drilling Well

A report of change of ownership shall be filed by the new operator of any drilling well within ten days following actual transfer of ownership or responsibility. Said report shall be filed in TRIPLICATE on Form C-103 and shall include the name and address of both the new operator and the previous operator, the effective date of the change of ownership or responsibility, and any other pertinent information. No change in the operator of a drilling well will be approved by the Division unless the new operator has an approved bond in accordance with Rule 101. (Form C-104 shall be used to report transfer of operator of a completed well; see Rule 1104.) [1-1-65...2-1-96]

1103.J. Other Reports on Wells

Reports on any other operations which affect the original status of the well but which are not specifically covered herein shall be submitted to the Division on Form C-103, in TRIPLICATE, by the operator of the well ten days following the completion of such operation. [1-1-65...2-1-96]
