Attention: Paul Ragsdale

Dear Mr. Ragsdale:

Reference is made to your request dated May 18, 1990, for authorization to downhole commingle multiple zones within the wellbore of the DeSana Unit Well No. 1 located in Section 17, Township 18 South, Range 24 East, NMPM, Eddy County, New Mexico. After reviewing your application, I find that the proposed commingling does not qualify for administrative approval pursuant to Division Rule No. 303 (C). I have therefore set the application to hearing before a Division Examiner on June 27, 1990. If you do not wish to pursue the proposed commingling please advise.

If you have any questions, please contact myself at (505) 827-5800.

Sincerely,

  
David Catanach  
Engineer
