13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If wells directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Harvey E. Yates Company would like to request TA status on the Arco 8 Federal #4. As there are other active wells in this same area, we would like to request permission to retain the wellbore for possible future work over.

A test was performed on the tubing annulus. Representatives with the BLM & OCD were notified of the test. No representatives were present for this test. See attached casing integrity test performed 12/28/2000.
