(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log Form)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this zone).*

This well was originally permitted as a water injection well; however, we intend to complete it as a producing well, subject to approval. We will file the required completion reports when the well is completed.

14. I hereby certify that the foregoing is true and correct
