Dear Brian:

Per our conversation of today regarding the above referenced well, please find enclosed a copy of the 3160-4 and Halliburton Gamma Collar Cement Bond Log.

Also, pursuant to our conversation, I've enclosed two (2) copies of a corrected 3160-5 reflecting intermediate casing details of 7/24/01 previously not shown on the original 3160-5. Should you need additional detail, there are copies of drilling reports also attached.

If I can be of further assistance, please do not hesitate to give me a call.

Sincerely,
