Re: Approval of Location W/2 Section 25, T18S, R27E Eddy County, New Mexico BEACH PROSPECT

Dear Mr.Stogner:

Per your conversation with Don McClung, PAR is requesting your approval of a location as shown on the enclosed plat.

As you can see from Form C-102, the location is 2310' from the North line of Section 25. An orthodox location puts the location very close to an existing power line. Par Minerals Corporation has a 100% leasehold interest in the W/2 of said Section 25. Being all one lease (State of New Mexico 648), and by moving the location south, we would only be encroaching on our interest.

Should you have any questions or need to discuss this, please do not hesitate to contact me at the number below.

Very truly yours,

PAR MINERALS CORPORATION
