ATTENTION: W. A. Gressett

Dear Mr. Gressett:

This is in compliance with my proposal to complete Form 103 herewith enclosed in triplicate which shows conversion of the caption well to a pumping well with resulting increase in initial 24 hour production to 25 barrels for which amount we are seeking allowable.

If Form 103 doesn't comply, then this letter will suffice attach to the Form 103.

Yours very truly,

Gordon M. Cone
