Mr. Gordon Deen,

June 1996 and again in March 1997 you were contacted by letter in regard to bringing the above captioned well into compliance with NMOC Rule 201.

To date there has been no response from you at all on this matter. If we do not receive a plan of action from you by June 1, 1997 we will ask our Legal Department to proceed with the scheduling of a hearing so that you may appear and show cause why this well should not be plugged.

Yours Truly,

Tim W. Gum
District II Supervisor
