Gentlemen:

There were no electrical logs run on the re-entry and completion of the subject well. Copies of previous electrical logs should be filed in your office, since the well was drilled and then plugged and abandoned in October, 1953. Two copies of the Temperature survey are attached. Should more information be desired, please advise.

Yours very truly,

S. J. Mathews, Jr. *SJK*
District Superintendent

Dear Sir:

There were no electrical logs run on the re-entry and completion of the subject well. Copies of previous electrical logs should be filed in your office, since the well was drilled and then plugged and abandoned in October, 1922. Two copies of the log should be retained. Should more information be desired, please advise.

Yours very truly,

G. J. Hedden, Jr.
District Superintendent
