Gentlemen:

I am writing you with regard to the following well completed by you:

Schenck No. 1, Unit A, Sec. 15-19S-26E, Eddy County, New Mexico

This well was formerly C. E. Wall No. 1 McGee. On June 8, 1959, we received form C-103 changing ownership and lease name to Taft McKee No. 1 Schenck. We have received no reports on this well since that date. It will be necessary for you to submit the following reports on this well:

- 1) Three (3) copies of form C-103 on production string of pipe, stating size, number of feet ran, number of sacks cement (indicating whether circulated or not);
- 2) Five (5) copies of form C-105 (Well Record).

As this well is located in the Artesian water area, I believe it should be plugged at once. Please contact this office as well as the State Engineer's office, 909 East Second, Roswell, New Mexico, to obtain the proper plugging program.

Very truly yours,

OIL CONSERVATION COMMISSION
