Re: Phillips well No. 1,  
Unit N, Sec. 12-19E-27E,  
Eddy County, New Mexico

Gentlemen:

After inspecting the site of the above-captioned well on June 24, 1960, we find that the dead men wires have not been cut and the location has not been cleaned.

Please see that the above work is completed as soon as possible so that your plugging report can be approved.

Very truly yours,

OIL CONSERVATION COMMISSION

M. L. Armstrong  
Supervisor, District No. 2
