Attn: Mr. Carson Muntzel

Gentlemen:

We hereby acknowledge receipt of your request that we cancel Permission To Surface Commingle your New Mexico "O" State and R & B State leases. However, this office has no record of this approval.

Further, according to our records, Navajo Refining Co.-Pipeline Division is the transporter on the New Mexico "O" State lease and Scurlock is on the R & B State lease.

Please contact us at your earliest convenience concerning this matter.

Sincerely yours,

W. A. Gressett
Supervisor, District II
