Well No. 6-5
API No. 30-015-02233
Eddy County, New Mexico

Dear Mr. Barton:

As we discussed in our telephone conversation this date, please find attached a copy of the Sundry Notice to the Bureau of Land Management concerning the above referenced well.

As we discussed, it is our plan to perform a casing integrity test on the East Millman Pool Unit well No. 6-5 in order to obtain an approved temporarily abandoned status.

We will also send you copies of forms indicating the approved temporarily abandoned status for the above referenced well when they are available.

Should you have any question concerning this matter, please do not hesitate to contact us.

Yours very truly,

STEPHENS & JOHNSON OPERATING CO.
