17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Well shut-in January, 1969, due to high water oil ratio.  
Well is located in an active waterflood project.  
Plan to maintain well for possible future return to production or injection.  
Date of future work presently not know.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
